Stage 2. Presentation

Preparing material for presentation (20%)

Stage 2 is the contest of presenters.

At this stage, the participants are to give business presentations, prepared in advance and *recorded as a video*. The total score given for a presentation is the summation of scores for each of the items of the Presentation Evaluation Form (e.g.: eye contact with audience, linking phrases, use of business vocabulary, use of visual aids, handling questions, etc).

The presentation topic is due to be a company (more information at the stage 1). The talk should include description of the company's organization, products, partners, etc. The presenters are supposed to show tangible knowledge of topical business vocabulary as well as mastery in structuring the speech, using visual aids, handling questions, giving a clear summary and conclusion.

Delivery time is 7 to 10 minutes. Exceeding the time limit will allow the Panel to stop the presenter and result in losing marks.

A successful presentation is to meet the following requirements:

- be delivered orally
- be supported with visual aids
- be easily identified as a business presentation, not a political speech, school performance, drama or slide show
- keep the listeners awake and, ideally, interested during the speech
- last not less than 5 and not more than 7 minutes (3 to 5 minutes are allotted for questions from the Panel)
- not use company-produced demo materials such as ready-made PowerPoint slides (these do not include gimmicks, business cards, booklets, brochures, posters, and other objects carrying company logos, slogans and contact information).

Recommended visual aids are PowerPoint slides, handouts, posters, video, product samples, etc.

Students record their speech with explanation of Power Point presentation on their company.

A successful video record is to meet the following requirements:

- clear explanation:
- good visual materials, which support oral representation;
- keep the listeners awake and, ideally, interested during the speech;
- uploaded into the Moodle system into special element "Your presentation and link to your video add here".
- deadline - October 14, 2022.

Stage 3. Video From 5 up to 7 minutes.

Course-level Grading guidelines:

·Academic integrity is submitting one's own work and properly acknowledging the contributions of others. Any violation of this principle constitutes academic dishonesty and is liable to result in a failing grade and disciplinary action.

Students should pass one project. Its developing consists of such stages:

1. You choose one company from the list below. Then consult on the possibility of analyzing your company with an instructor Nataliia Amalian (nataliia.amalian@uacu.edu.ua).

2. After the approval of your choice, you can start to collect information about it.

This information should include brief information about the company, organizational structure, activities, income, competitors, partners, economic and social databases, effects, etc. (all business information).

ECTS grade	Requirements for the student
A	Each student demonstrated a comprehensive systemic and in-depth knowledge of prepared material; processed basic and additional literature; obtained a solid grasp of the conceptual apparatus, methods, techniques and tools provided by the program; found creative abilities in the presentation of the educational program material both on this issue and on related modules of the course and related courses; the student had a current grade of 90-100 points
B	The student demonstrated good knowledge in business sphere;
C	processed the basic literature, mastered the conceptual apparatus, methods, techniques and tools provided by the program, but with some inaccuracies
D	The student showed mediocre knowledge of the business material;
E	learned information mainly from a presentation; mastered only a few methods, techniques and tools
FX	The student has significant gaps in knowledge of the main presentation material; fragmentary mastered the basic concepts, techniques and tools; significant mistakes are made when using them

For individual issues, students should contact the supervisor ONLY by given e-mail or by Moodle. In the Subject line they should put: **UACUFirstNameLastName**. E-mail messages will normally be answered within 24 hours.

The study of technical courses is cumulative (i.e., an understanding of earlier material is necessary to grasp concepts covered later). Past experience has shown a high correlation between procrastination and low grades. Students must be committed to completing tasks on time.

The course is based on mastery of course outcomes. The student's grade for this course will be calculated based on performance.

Note: the minimal grade to pass a subject is **60% (for Bachelor's degree)**.

The assignment of a letter grade for a course is an indication of the student's overall success in achieving the learning outcomes for the course. The course letter grade may be viewed as a summary statement of the student's achievement in individual assessments (assignments & activities). These assessments are intended to identify for students their strengths as well as those areas in need of improvement. Student work is assessed according to the guidelines below.

Criteria for grading:

This course is conducted in the form of PowerPoint presentations and video made by the students.

The final grade would be a summation of the following:

2. Presentation (**40%**)
3. Preparing the video about company - (**40%**)
